

## Fresh Prince Ep1

1- Hey, uncle Phil!

2- How are you doing?

3- I am not your uncle Philip.

4- Oh, my fault, man.

5- I must have got the wrong crib...

6- Hey ya, I didn't know so many brothers living in this neighborhood.

7- We're doing alright, huh?

8- You have the right house. I am Geoffrey, your uncle's butler.

9- Oh, okay. Well, I-- cheerio and all that rot. (**Obs:** Will fala umas coisas, depois disso, que eu não entendi)

10- Bring the horses round, would you?

11- If you follow me, I will show you to your room, Master William.

12- Hey man, it's cool if you just call me Will.

13- Master William... Tradition dictates that a clean unbreakable line be drawn between a family and their butler. Therefore, it is necessary for the operation of a household that you address me as Geoffrey, and I turn address you by your proper title, "Master William".

14- Who are you? Robo-Butler, man?

15- Come with me, Master William.

16- Yo, G. Let me rap to you for a second.

17- All this “Master William” stuff, man... I’m not down with that, man. Make it sound like we’re back on the plantation.

18- Let’s come up with something better that you could call me.

19- What would you prefer?

20- Check this... “His Royal Freshness”. That’s dope.

21- Master William... walk this way.

22- Hey, aunt Viv!

23- How you doing?

24- Oh my goodness. Let me look at you... turn around.

25- Honey, the last time we saw you, you were this funny little boy. Now look at you. Oh my goodness, you are a man.

26- That was the plan.

27- It is amazing. You certainly have grown, will.

28- Well, we all have.

29- Did you enjoy the trip?

30- Yo, the plane ride was stupid all over.

31- No, that doesn’t mean what you... hm, how would he say?

32- The flight was really neat, yeah.

33- Geoffrey, would you take will to his room, please, and help him get settled in?

34- You got to love this guy, right?

35- Did you see the way he was dressed?

36- What's wrong whit it?

37- Did you hear that language?

38- Oh. We used slang when we were kids. Do you remember our first date? You took one look at me and said: "Vivian, that is as bad dress". You cold've just said "good dress".

39- I could have, if I liked it. But actually, it was a bad dress.

40- That's stupid. Now, take it for whatever meaning you want.

41- Now he's got you doing it.

42- Oh, Philip. Cut him some slack, please. He's my nephew.

43- And I would just appreciate it if you tried to understand him.

44- Yo, this place is huge, man.

45- Next time I go to my room, I'm gonna take some bread crumbs.

46- Will, his is Ashley.

47- Hi, my little Scottish cousin.

48- Pleased to make your acquaintance. I'm your humble servant.

49- Well, I'm gonna to take a swim before dinner.

50- Good luck mom, the pool heater's broken.

51- Don't you just hate it when that happens?

52- Oh yes, that is my pet peeve.

53- You got your own pool here?

54- And a tennis court too.

55- Yo, this is better than "*Love Boat*". This boy gonna be maxing and relaxing.

56- Hold on just a minute, son. We promised your mother that you're here to work hard, straighten out, and learn some good old-fashioned American values.
