

Pokemon Season 01 EP 01 (Parte 01)

1- "And Nidorino begins the battle with a horn attack."

2- "Oh, but Gengar bounces right back!"

3- "And there it is, the hypnotic power of Gengar!"

4- "This could be the end of Nidorino!"

5- "Wait! The trainer recalled Nidorino."

6- "Which Pokemon will he use now?"

7- "Oh, it's Onix!"

8- "Now this giant Pokemon's on the attack!"

9- "Ho-ho, but Gengar jumps aside."

10- "Gengar is moving beautifully today. Its training is..."

11- Yes, I am Ash!

12- (Narrator) Ash Ketchum is a boy from pallet town.

13- And now that I'm ten, I can finally get my Pokemon license.

14- (Narrator) Ten year olds can get a beginner Pokemon from professor Oak, the town's Pokemon expert.

15- I will journey to gain the wisdom of Pokemon training.

16- And I hereby declare to the Pokemon of the world I will be a Pokemon Master.

17- Pokemon Master. That's what I'll...

18- (Mom) Ash, get to bed!

19- It's 11 o'clock and you should be asleep.

20- But tomorrow I begin my Pokemon journey. I can't sleep.

21- Well, if you can't sleep, you should at least get ready for tomorrow. Here watch this.

22- (Prof. Oak) Good evening, Pallet. Tomorrow's the big day for the newest class Pokemon students!

23- I'd like to introduce you to Bulbasaur, Charmander and Squirtle.

24- Each one is available for new trainees.

25- Which one shall you choose?

26- Go to bed when this is done.

27- All right! I'm going!

28- And change into your pajamas, okay?

29- I'm going

30- Raising Bulbasaur, that'd be really simple. It's perfect for beginners.

31- Then, there's Squirtle.

32- Choose it or lose it

33- Hold on. Charmander. Those in the know say that's the best way to go.

34- Oh, no! What time is it?

35- Squirtle, Bulbasaur, Charmander, anyone's fine.
Just please, save one for me!

36- "Gary, Gary he's our man. If he can't do it, no one can"

37- Hey, watch where you're going. Well, you must be Ash. Better later than never, I guess.

38- At least you get the chance to meet me.

39- Gary?

40- Mr. Gary to you. Show some respect!

41- Well, Ash, you snooze, you lose. And you're way behind right from the start.

42- I got a Pokemon and you don't.

43- You got your first Pokemon?

44- That's right, loser, and it's right inside this Poke Ball.

45- Thank you, fans. Thank you all for this great honor. I promise you that I will become a Pokemon Master and make the town of Pallet known all 'round the world.

46- I was just wondering if you could tell me what kind of Pokemon you got.

47- None of your business.

48- If you showed up on time you would've seen that I got the best Pokemon from Professor Oak.

49- It's good to have a grandfather in the Pokemon business, isn't it?

50- Thank you for coming out to see history in the making. Now I, Gary Oak, am off to learn the ways of the Pokemon trainer.

51- Huur! I'll show you!

52- So you decided to show up after all.

53- Oh, Professor Oak, where's my Pokemon?

54- Your Pokemon?

55- Yes, I'm ready.

56- You look like you're ready for bed, not for Pokemon trainer.

57- I hope you don't think you're going to train in your pajamas.

58- Oh, no, professor. I got messed up this morning, and I was a little late. But, believe me, I'm ready for a Pokemon.

59- I've thought about it a lot and it took me a long time, but I finally decided to choose Squirtle!

60- Already taken by someone who was on time.

61- Ohh. I wish I hadn't overslept.

62- But now I will choose as my Pokemon, Bulbasaur! What?

63- That one was also taken by a kid who wasn't late.

64- Well, that's no problem. Because my Pokemon will be Carmander!

65- The early bird gets the worm. Or in this case. The Pokemon.

66- Does that means all the Pokemon are gone?

67- Well, there is still one left, but I...

68- Professor, I'll take it!

69- I think I should warn you. There is a problem with this last one.

70- I have to have a Pokemon.

71- Well, in that case.

72- It's name is Pikachu.

73- Oh, it's so cute. It's the best of all.

74- You'll see.

75- It's also known as electric mouse. It's usually shy, but can sometimes have an electrifying personality.

76- I see what you mean.

77- Shocking, isn't it?

78- Now take these, your Pokedex and Poke Balls.
