

All Star – Smash Mouth

1- Somebody once told me the world is gonna roll me.

2- I ain't the sharpest tool in the shed.

3- She was looking kind of dumb

4- With her finger and her thumb in the shape of an "L" on her forehead.

5- Well, the years start coming and they don't stop coming.

6- Fed to the rules and I hit the ground running.

7- Didn't make sense not to live for fun

8- Your brain gets smart but your head gets dumb.

9- So much to do, So much to see

10- So what's wrong with taking the backstreet?

11- You'll never know if you don't go.

12- You'll never shine if you don't glow.

13- Hey now, you're an all star

14- Get your game on, go play.

15- Hey now, you're a rockstar

16- Get the show on, get paid.

17- And all that glitters is gold.

18- Only shooting stars break the mold.

19- It's a cool place, and they say it gets colder.

20- You're bundled up now, wait 'til you get older.

21- But the media men beg to differ

22- Judging by the hole in the satellite picture

23- The ice we skate is getting pretty thin.

24- The water's getting warm, so you might as well swim.

25- My world's on fire, how about yours?

26- That's the way I like it and I'll never get bored.

27- Hey now, you're an all star

28- Get your game on, go play.

29- Hey now, you're a rockstar

30- Get the show on, get paid.

31- And all that glitters is gold.

32- Only shooting stars break the mold.

33- Only shooting stars...

34- Somebody once asked could I spare some change for gas

35- I need to get myself away from this place.

36- I said "Yep, what a concept"

37- "I could use a little fuel myself

38- "And we could all use a little change".

(5 to 12)

(29 to 32)

39- 'And all that glitter is gold

40- Only shooting stars break the mold.
