

## Pokemon Season 01 EP 02 (Parte02)

1- 'Now I've got you. I knew I'd find you here.

2- Hey, what happened to your bike?

3- What happened to my bike? You happened to my bike, you little loser!

4- This is what's left after you stole it to save your Pokemon.

5- Now I can see why your Pokemon is in the...

6- Let me help you.

7- I don't need your help! And you're going to pay for what you did to my bike.

8- I'll make up for it, I promise I will really. But I can't do anything about your bike until...

9- Ah, I don't want any of your lame excuses, kid. I just want a new bike right now.

10- It's my Pikachu. My Pikachu's not too good.

11- Is it very serious?

12- I think so, and there's nothing I can do to help now.

13- Pikachu, are you alright?

14- Your Pikachu's resting. It's a good thing you got it here so fast. The procedure went well, and it should be fine.

15- Thanks to the Pokemon Center.

16- Yes, thank you very much.

17- 'Now your Pokemon needs a good rest in the Recovery Room. You should go in with it, Ash.

18- Thanks. Listen, I'm sorry about your bike but I'm going to need some time to make things right.

19- No way! I fell for that last time. Well, you should take care of Pikachu now, and we'll settle up late.

20- Your attention please, our Viridian City radar sensors have detected an aircraft belonging to a gang of Pokemon thieves. If you have a Pokemon in your possession, exercise extreme caution.

21- Guess we woke up this sleepy dump.

22- And how dare they act like we're criminals? They should welcome Team Rocket.

23- Well, we'll teach them to respect that name.

24- Meowth! 'And when we snatch all their  
Pokemon those scared little nice mice will know I'm  
the top cat.

25- What are... Who are they?

26- Don't be frightened, little boy.

27- Allow us to introduce ourselves.

28- To protect the world from devastation...

29- To unite all peoples within our nation...

30- To denounce the evils of truth and love...

31- To extend our reach to the stars above...

32- Jessie. James. Team Rocket! Blast off at the  
speed of light...

33- Surrender now or prepare to fight.

34- Meowth! That's right!

35- What are you talking about?

36- He just doesn't get it, does he?

37- How can I? You don't make any sense.

38- We're here for the Pokemon.

39- You're not getting Pikachu.

40- Pikachu? We're not interested in your precious electric rat.

41- We seek only rare and valuable Pokemon.

42- You're wasting your time. This is a center for weak and injured Pokemon.

43- Well, that may be so, but I wouldn't be at all surprised if we find a few little Pokemon gems among all the junk.

44- You're starting to bug me.

45- Isn't that cute?

46- The boy's bugged.

47- Meowth! Then let's squash him.

48- Hey, the lights.

49- They must've cut the power. But we've got our own Pika Power source.

50- Wow! Look at all the Pikachu.

51- A crisis situation has arisen. Initiating emergency Poke Ball transport sequence.

52- We have to save these Poke Balls. This is the Viridian City Pokemon Center. We have an emergency situation, transporting Poke Balls.

53- This is the Pewter City Pokemon Center. Downloader activated. Ready to receive Poke Balls.

54- Get those Poke Balls.

55- This is war. Don't just hold them, throw'em.

56- Alright! Poke Ball here we go!

57- That thing can't beat us.

58- No? Well, try this one. Pokemon here we go. Ahhh, empty.

59- We're never gonna beat them that way.

60- Some of the Poke Balls are empty.

61- Well, now she tells me. This one feels like a real winner. Poke Ball, go.

62- Hm, pipsqueak.

63- I guess I'm going to have to take this into my own hands. You grab Pikachu and get out of here. I'll take care of these three clowns.

64- That's pretty big talk coming from such a little lady.

65- At least you're right about the pretty part. Thanks for the compliment.

66- The girl thinks she's pretty.

67- I agree with her. I think she's pretty too... Pretty pathetic.

68- I'll show you! Poke Ball, go.

69- That's her best shot?

70- She's all washed up.

71- You know as well as I do that a water Pokemon can't battle on land. I was just warming up.  
(Sussurrando) *Just get Pikachu out of here.*

72- Do I have to do everything? That mouse is cat food, Meowth. Just wait, Pikachu. You're mine.

74- Pika Power? So you want... you want more power.

75- What's this?

76- Let's just say that Pikachu and I are going to generate a little excitement for you, Meowth.

77- Too late, but not for the fireworks.

78- Great! A cat losing to a mouse!

79- That Pikachu is no ordinary Pikachu.

80- It's certainly very rare, a perfect prize.

81- Let's catch it.

82- Perhaps we will.

83- Your Viridian City Pokemon were transported here safely.

84- Thanks, sis. Ash, Misty and Pikachu are heading your way to Pewter City. If they can get safely through the Viridian Forest.

85- Don't worry. From what I've seen, those three can take pretty good care of themselves.

86- Well, I hope you're right.

87- What's the matter?

88- Look! Over there.

89- Oh, cool! It's a Caterpie! It's one of the bug Pokemon.

90- Even if it is a Pokemon, bugs are disgusting and I don't like them. Do something.

91- Alright, stand back.

92- This one's a piece of cake. Poke Ball, go!

93- (Narrator) Will Ash capture the Caterpie? What sinister plans are being concocted by Team Rocket? Will Misty ever get a new bicycle? All the answers on the next Pokemon.
