- 6- I'm going to quit while I'm ahead.
- 7- Ouch. Keep 'em coming Will.

31- Would someone turn it for me, please?

32- Jazz, crank that up.

33- Right away sir.

34- You drop kicked a human being across our front lawn.

35- Things went down a very wrong path this week.

36- You don't have to please your father.

37- I blame television.
